

# My metricon

As part of the Metricon service you now have access to an online tool My Metricon, which will help guide you in building your dream home every step of the way.

**Contact your Customer Service  
Co-ordinator for further details.**

[metricon.com.au](http://metricon.com.au)

## my benefits

- Ability to check the progress of your home at your convenience
- Ability to contact your Customer Service Co-ordinator at anytime with feedback or queries
- Additional communication channel between you and Metricon

## my home personalised

- Check the status of your home 24 hours a day, seven days a week – without having to contact your Customer Service Co-ordinator
- Access to a large range of frequently asked questions
- My Metricon will inform you of the key milestones in the construction of your home
- Meet the team that will be guiding you through the whole building process
- Check when appointments have been scheduled

## my metricon access

It's simple – all that is required is a computer with internet access and someone with a valid email address. If you have the above please contact your Customer Service Co-ordinator and they will get you started.

**We want you to love where you live!**
